Male :: Senior :: Medium

****IN FOSTER CARE****

Dooley

484543

6 Years old

Heartworm negative

44 lbs.

Dooley is an older guy that has quite a bit of spunk left in him. He really enjoys going outside for a light game of fetch. His body shows signs of not being properly cared for. He will need to see a private vet to further assess any medical issues that we are not aware of. He isn't letting that slow him down though. Dooley could be a spectacular pet if given needed care. Come and meet this special senior today!
