IN FOSTER CARE

**Brutus

2 Years old
Heartworm negative
71 lbs.**

Brutus can be a strong willed kind of guy and likes to be the leader when housed with other dogs. He looks like an American Bulldog and Pointer mix. When outside one on one he is a big mush ball and soaks up any and all attention. His behavior can often be fear based and it's difficult to truly assess an animals temperament while in this environment. We think Brutus is an outstanding loveable lug who just needs to feel secure. If you'd like to meet him please visit the shelter or contact us right away.
