

# MILLER

Animal ID: A467700

**Male :: Adult :: Small**

**Miller lived his 3 years of life as a spoiled indoor kitty. When he was surrendered to the shelter Miller was very very unhappy. Miller refused to allow us to handle him and began to decline rapidly. Thankfully a wonderful foster home stepped up so Miller could begin to re-group and decompress. This foster home is temporary and we are looking for a permanent solution for Mr. Miller. If you'd like to meet this special boy email us at [Adoptions@fultonanimalservices.com](mailto:Adoptions@fultonanimalservices.com)**
